

State Boards

Every state in India has its own board of education that determines the curriculum under it.

Features of State Boards

- **Curriculum:** Focus on regional languages, history and geography
- **Medium of Instruction:** state language
- **Examination Pattern**
 - Conduct primary and mid-level examinations
 - SSC: 10th Board exams Secondary School certificate
 - HSC: 12th Board exams Higher school certificate

Grading System

Most state boards adhere to the percentage based grading system dividing them across four division of ranks.

- 75% – Distinction
- 60-75% – 1st Division
- 50-60% – 2nd Division
- 40-50% – 3rd Division

Benefits

- Admission process is effortless; textbooks and teachers are easily accessible.
- Students who need a balance between academics and athletics or related extracurricular activities.
- Parents who want their children to pursue university studies closer to home
- Parents who want their children to remain rooted to their local culture and traditions
- State boards offer affordable fee structure
- State boards are preferred by civil service examination aspirants

Limitations

- Quality of teaching varies according to school.
- Might lack necessary facilities.
- Quality of content
- Depends wholly on the state government's competence to maintain the quality of education
