

CCA-103: Communication & Soft Skills

Assignment

Elaborate the process & elements of Communication in detail through suitable examples.

The communication process involves understanding, sharing, and meaning, and it consists of eight essential elements: source, message, channel, receiver, feedback, environment, context, and interference. Among the models of communication are the transactional process, in which actions happen simultaneously, and the constructivist model, which focuses on shared meaning.

Transactional Model of Communication
